Score Distributions Based On : Contrasting Groups Based Cutscores

Legend:
- Observed Density
- Smoothed Predicted Failure
- Smoothed Predicted Passing

Y-axis: Density
X-axis: Observed Student Score
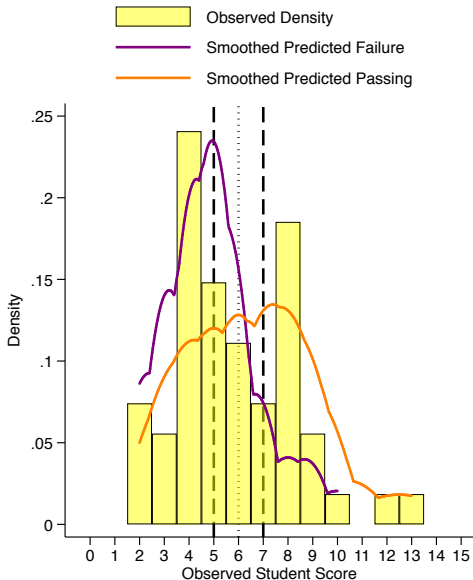

5 = Predicted Failing Median - Dashed Black Line
6 = Contrasting Groups Cutscore - Dotted Black Line
7 = Predicted Passing Median - Dashed Black Line

Score Distributions Based On : Angoff Method Based Cutscores

Legend:
- Observed Density
- Smoothed Predicted Failure
- Smoothed Predicted Passing

Y-axis: Density
X-axis: Observed Student Score
